Dress Code & Missed Classes

Students, please remember to abide by the studio's dress code found on our website as well as on the back of your schedules. Proper dance attire and shoes are mandatory. No street clothing. Hair must be pulled back. Also, please remember to address your teachers and staff as Miss or Ms. If you will be absent due to illness, vacation, etc. please call the studio and let us know. You may make up missed classes by attending another class of the same skill level.

Class Levels & Pointe

All students are evaluated on an individual basis and placed in classes according to skill level and age. Please realize not all dancers progress at the same rate. Your teachers take great care in selecting the best classes for you in your quest to be the best dancer you can be. Dancers are evaluated every 6 months prior to recital. Students wishing to work towards the goal of pointe shoes should be taking a minimum of two ballet classes per week. Lyrical is also a good class to take as it involves ballet technique. A student will be placed on pointe once she is technically and physically ready. "Going up" too soon may result in injury. Students invited to attend PrePointe should continue to wear flat slippers to this class. A wonderful source of information is The Pointe Book by Janice Barringer and Sarah Schlesinger.
